

Drone Protest

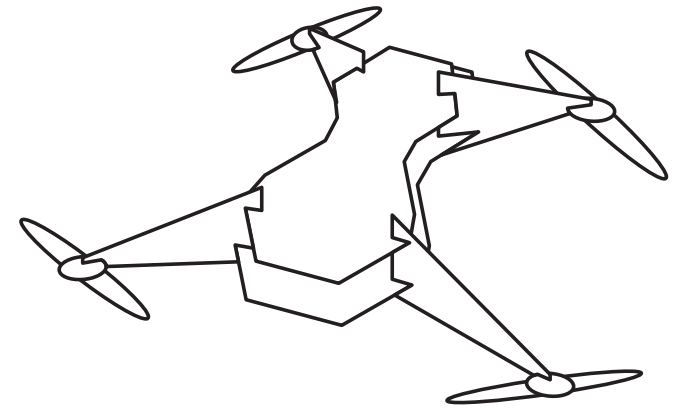

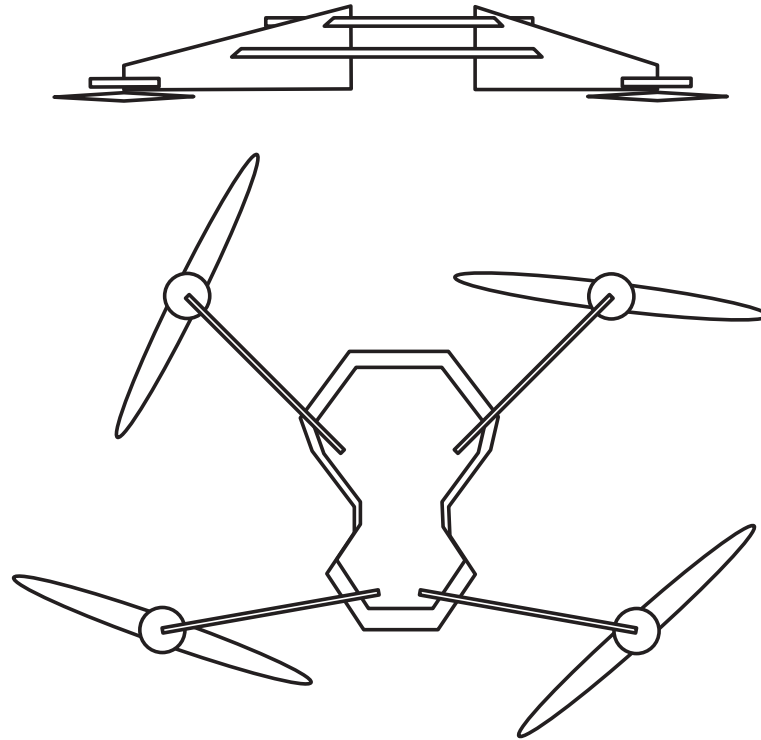

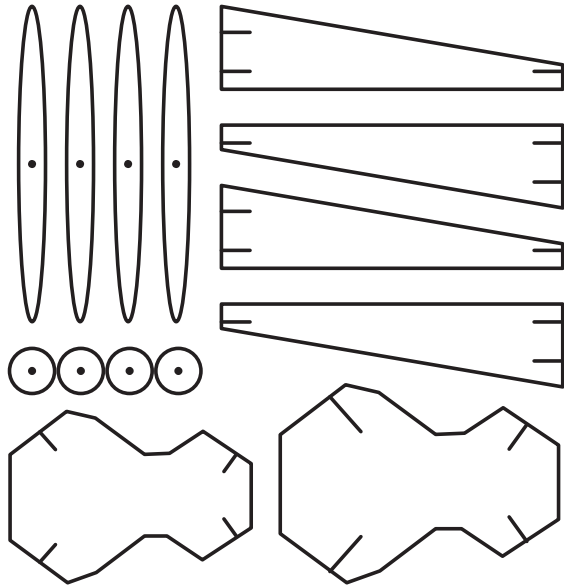

Thomas Lasbouygues & Mathieu Tremblin - June 2025

In this application, the slogans used in the illustrations are presented for illustrative purposes and do not reflect the definitive tone that will be determined in meetings with demonstrators.

Drone Protect

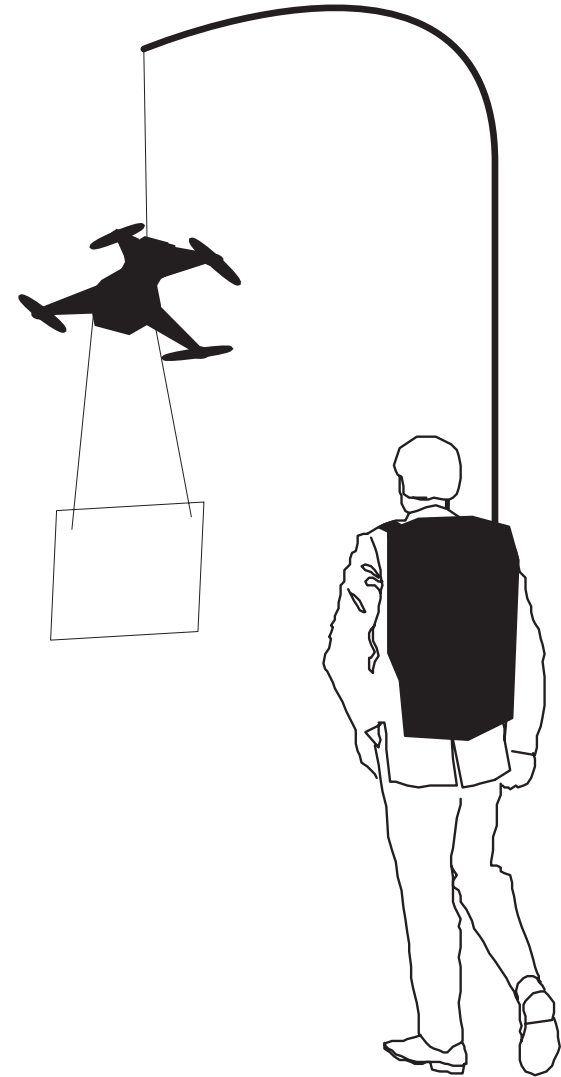

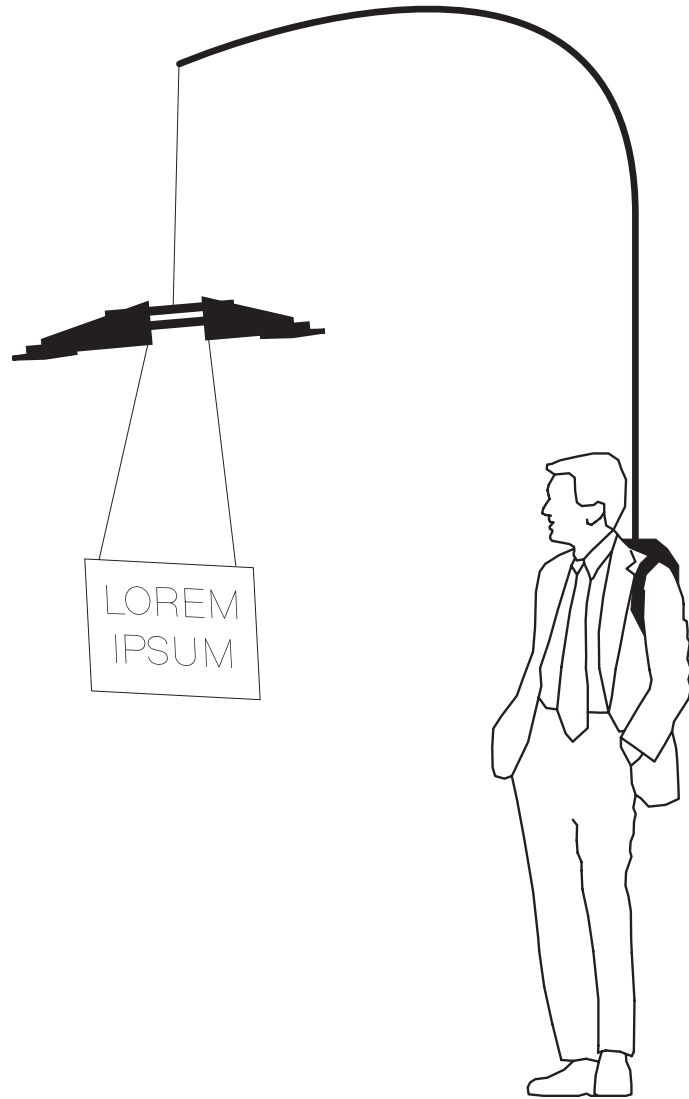

Thomas Lasbouygues & Mathieu Tremblin – June 2025

In this application, the shape of the models is reduced to the simplest, based on an assembly of cardboard silhouettes reminiscent of the polystyrene airplane models of our childhood. More complex forms can be envisaged to extend this principle.
