

Canards  
déchainés

Entre hommes-canards et humains, au quotidien, la cohabitation se fait, mais non sans altercations...

Un matin où le soleil rayonne...

Crunch  
Crunch

La journée se déroule comme d'habitude sans encombre

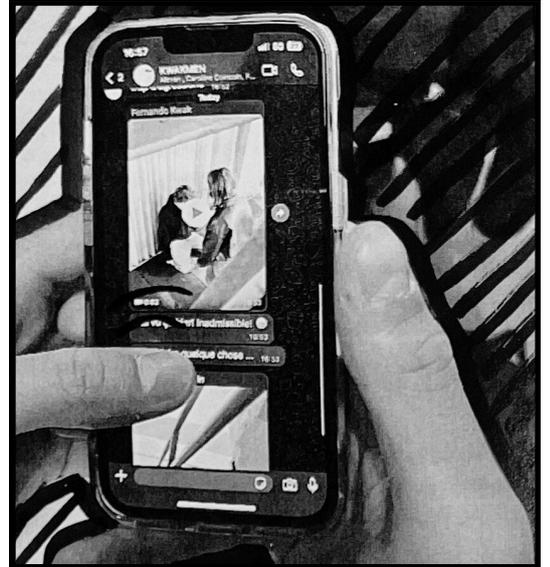

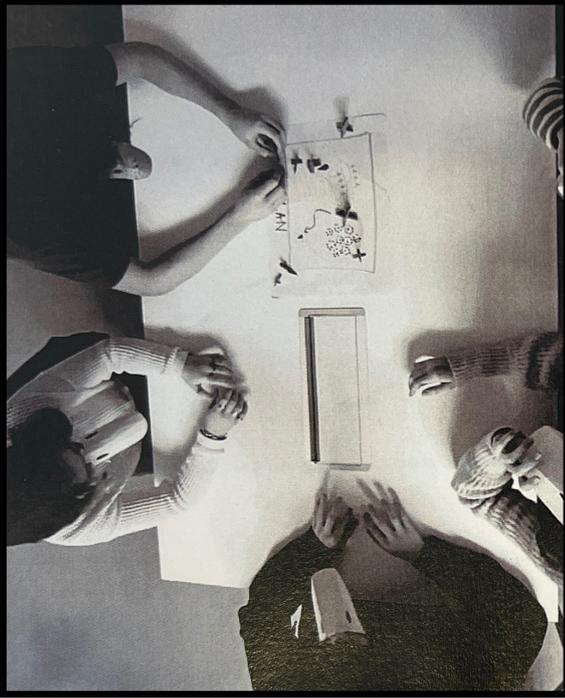

Il se remet en route..

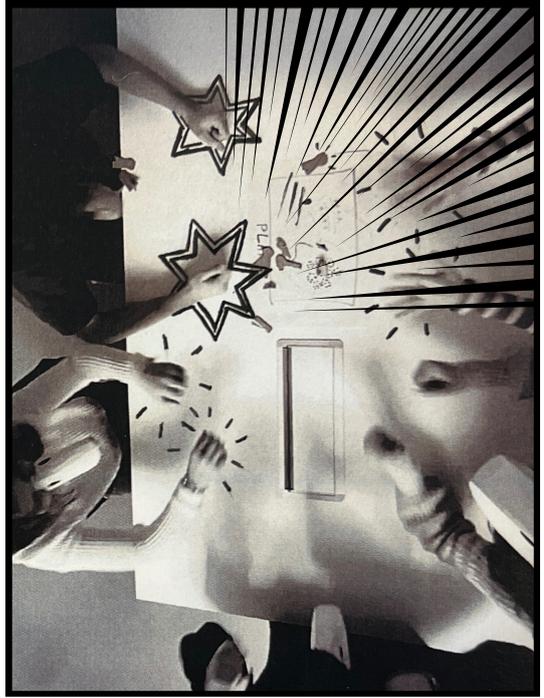

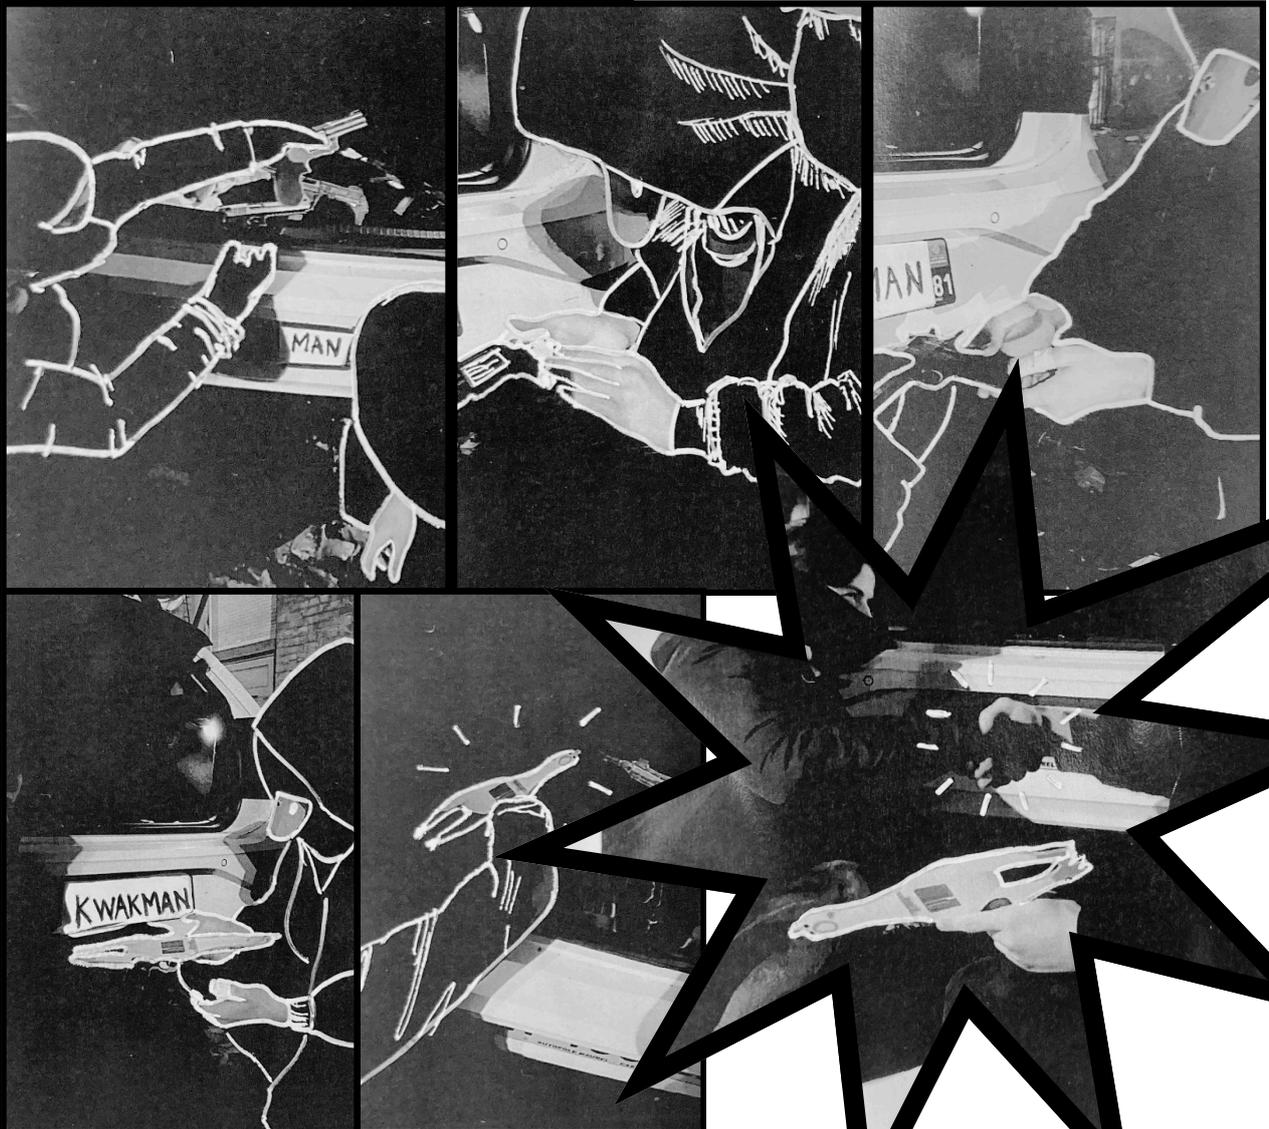

2h plus tard...

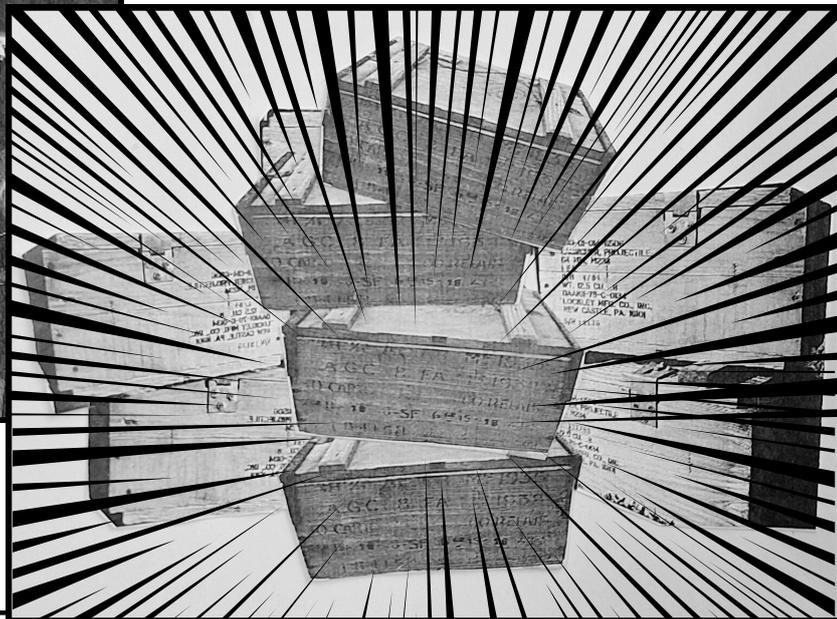

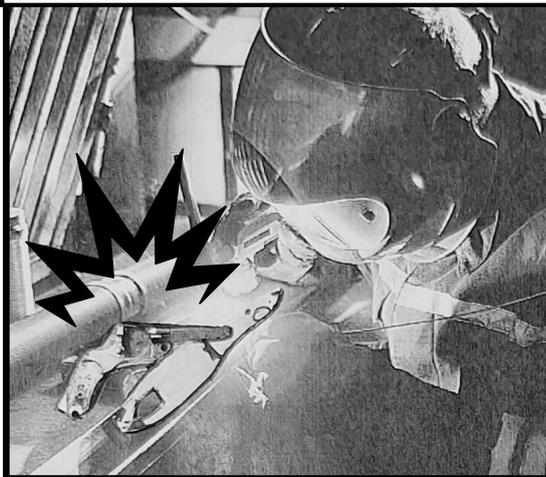

Il fallait élaborer un plan...

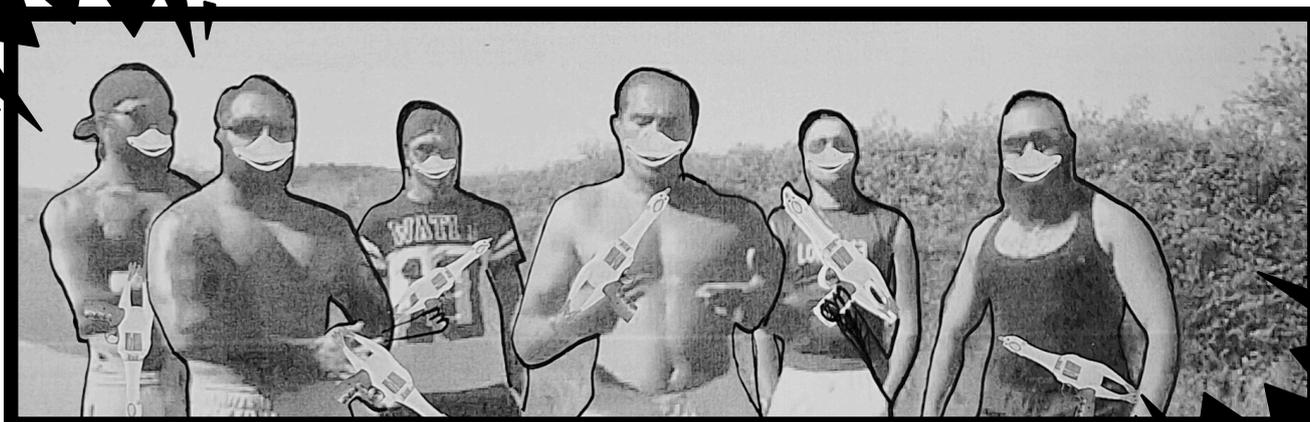

Aussitôt dit, aussitôt fait...

# Dans les industries...

# Sur les routes...

Quelques temps plus tard...

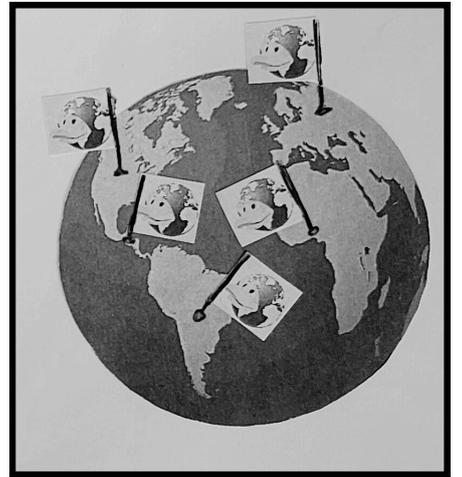

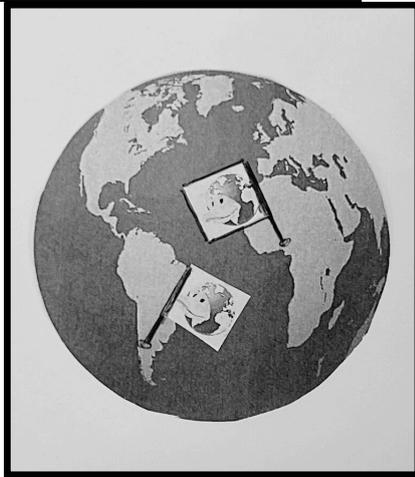

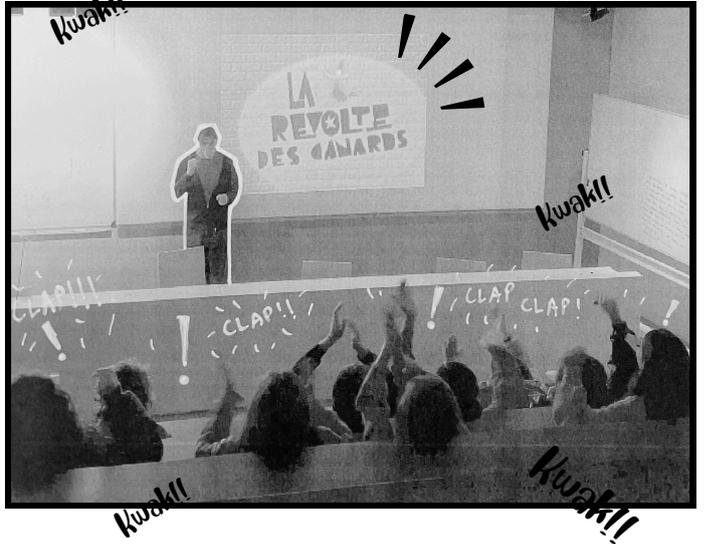

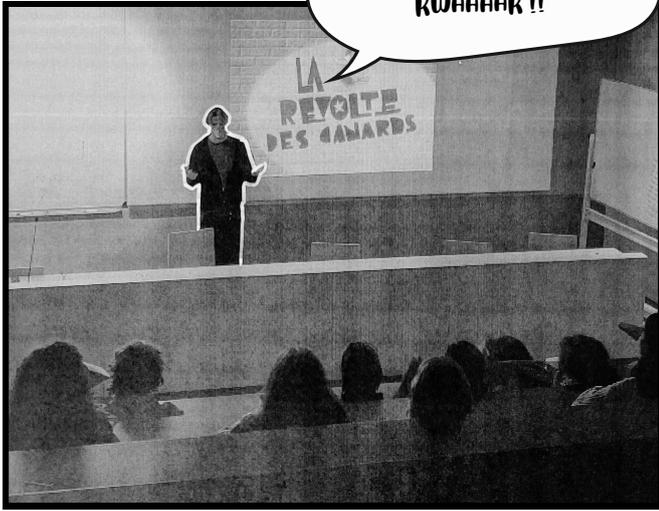

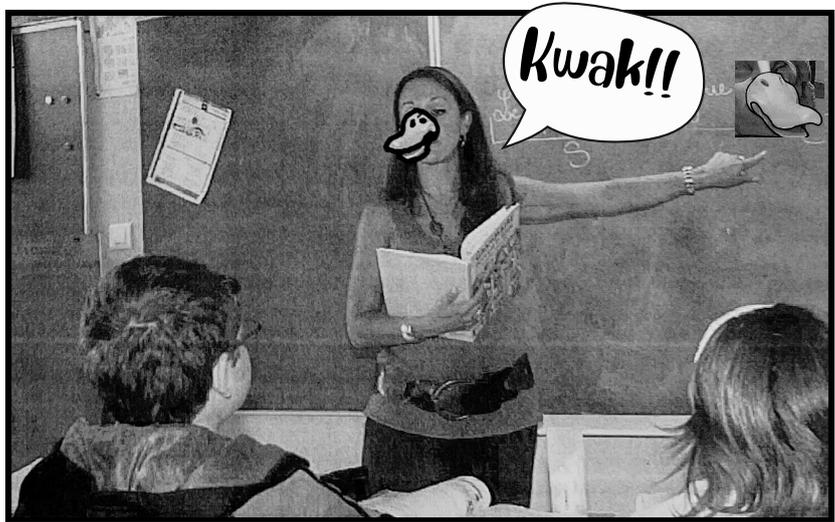

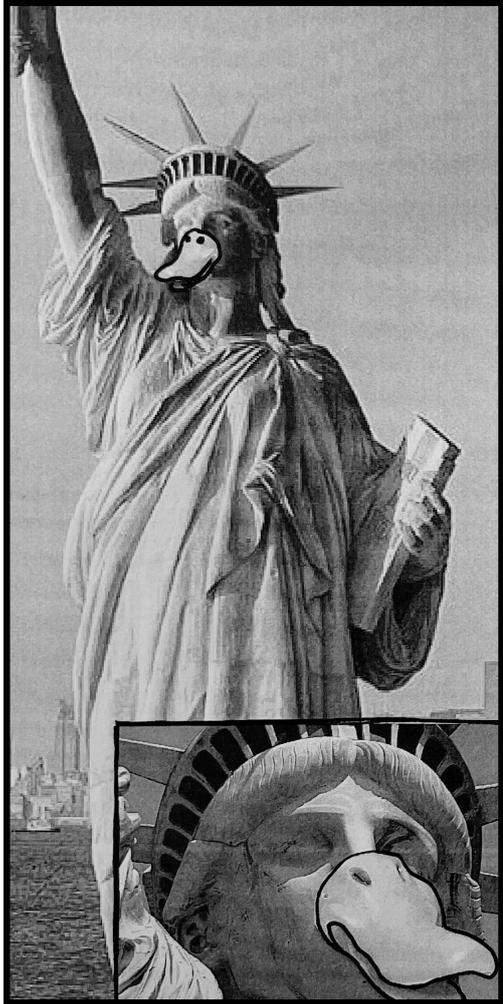

A travers le monde, les idées se propagent....

Kwakakawak ..  
KWAK! Kwak!!  
Kwakkwak!Kwa... KWAK  
KWAAAAK !!

Peu de temps après...

Persécutés, enfermés ... Les humains subissent...

... mais certains comptent ne pas se laisser faire...
